

7 LEISURE AND ARTS DEPARTMENT - ESTABLISHMENT OF POST (AN50-2004)

The Committee is asked to approve the establishment of a part time (20 hours per week) post of Environmental Development Assistant, graded AP2, £15,582 - £16,866 pro rata. The post is required to assist with the organisation of the Dundee Flower and Food Festival, the preparation of Parks Development Plans and other environmental projects undertaken by the section.

To fund this proposal, it is proposed to delete the vacant half of a job share post of Events Officer, graded AP3, £17,340 - £19,029 pro rata.

These changes will result in a saving of £113 in the current financial year and £1,356 in a full financial year. Both figures are inclusive of employer's costs.
