

**15      PARKER STREET HOUSING SITE - DEVELOPMENT BRIEF (AN524-2003)**

Reference is made to the January 2003 meeting of the Committee when the development brief for the Parker Street housing site was approved following consultations (Report No 10/2003 refers). Further consideration of the site boundaries has taken place and it is proposed that these be extended to take in the area of land immediately to the west which presently has no land use allocation. There will be no implications for the development brief in this proposal.
