

6 SCOTTISH LOW PAY UNIT (AN535-2003)

The City Council is requested to renew financial assistance to the Scottish Low Pay Unit in 2003/04.

If the net 2003/04 funding required by the Scottish Low Pay Unit was allocated on the basis of population statistics, then the City Council's contribution would be £4,200.

The Committee is requested to consider approval of a grant to the Scottish low Pay Unit, for which provision is included in the 2003/04 Revenue Budget of the Finance Department.
