

**11 CIVIC GOVERNMENT (SCOTLAND) ACT 1982 - PROPOSED STREET NAMES
(AN75-2013)**

Consultation to re-name a section of Sidlaw Avenue to Sidlaw Drive has concluded.

The road at present has two legs. One is off Strathmartine Road and the other is off Laird Street. The present leg from Strathmartine Road is to be extended to meet St Martin Crescent. This is to accommodate the continuing residential development in the area. There are currently no properties numbered from this section of Sidlaw Avenue. If it remains as Sidlaw Avenue then confusion may arise when it is linked with the residential properties on St Martin Crescent.

The consultation exercise included residents in Kettins Terrace and Kinrossie Terrace whose properties are accessed off this street but not addressed from it. Two positive comments were received from these residents with no negative comments.

The proposed renaming was advertised in the local press inviting comments on the proposal. None were received.

The Committee is asked to approve the renaming of a section of Sidlaw Avenue to Sidlaw Drive as detailed below.

Proposed Name	Ward	Location
Sidlaw Drive	Strathmartine	Strathmartine Road to the west to meet St Martin Crescent
