

14 SOCIAL WORK DEPARTMENT - REDESIGNATION AND EXTENSION OF POST (AN8-2002)

The Personnel and Management Services Committee, at its meeting on 11th June, 2001, approved the establishment of a one year fixed term part time post (19 hours) of Dundee Drug and Alcohol Co-ordinator, graded PO7-10 (£28,817 - £30,323). Two attempts to recruit to this post have been unsuccessful due to the fixed term and part time nature of the post and, as a result, approval is now sought for the following:-

- (a) the post be redesignated to Lead Officer (Dundee Drug and Alcohol Action Team);
- (b) the hours of the post be extended from part time to full time;
- (c) the duration of the fixed term post be extended from 1 year to 2 years.

This post will be funded in full from resources allocated by the Scottish Executive for the support and development of local Drug Action Teams.
