(AN84-2011)

It is proposed that the list of standard conditions of the above categories of licence be amended as follows:-

(a) The following be added at the end of the current Condition 7 of Taxi Licences:-

"In addition, the licence-holder shall notify the licensing authority within 7 days of him becoming aware of any of the drivers on the list ceasing to drive the taxi or of any new driver being added to the list of those permitted by him to use the taxi."

(b) The undernoted new condition be added to the standard conditions of Taxi driver's Licences:-

"25. The licence and badge shall be retained in the custody of the licensing authority during any period(s) of time when the licence-holder is not employed as a taxi driver. It shall be the responsibility of the licence-holder to notify the licensing authority of the name(s) of the operator(s) for whom he is driving for the time being and also of any change in the identity thereof. This information must be provided in the application form for the grant or renewal of the licence and thereafter within 7 days of any change as outlined above. If the driver ceases to be so employed, he shall be obliged to return the licence and badge to the licensing authority within 7 days, whereupon it shall be reissued upon notification of the licensing authority of his recommencing employment as a taxi driver."
