- 4.1 The Fleming Trust was set up in 1929 to provide suitable accommodation for the displaced occupants of slum dwellings in Dundee. The trustees have the responsibility to "hold and maintain" the houses. The trustees are overseen by a Supervisory Committee which meets twice a year.
- 4.2 The trust currently owns 92 houses and these are managed by Neighbourhood Services. All houses meet the Scottish Housing Quality Standard.
- 4.3 The trusts accounts are contained in Report No. 10-2021. In the year to 31 March, 2020 the trust achieved income of £365,039 (2018/2019 £347,880), mostly from rental income, and incurred £74,557, (2018/2019 £77,990) of revenue expenditure most of which was expended on management and maintenance to produce an operating surplus of £280,014 (2018/2019 £147,624).
- 4.4 Capital Expenditure of £10,467 was incurred during 2019/20 (2018/2019 £122,266).
- 4.5 The net result was a surplus of £280,014 (2018/2019 £147,624), which when added to the balance brought forward gives a balance on reserves of £1,591,815 (31 March 2019 £1,311,800). This balance is required to fund any improvements to the properties. In 2020/2021 expenditure will be incurred on smoke detector upgrades.

This has resulted in 12 new builds that will be taken on by the Fleming Trust once the new development is complete.

This new build programme and the houses will be provided in conjunction with the Council's HRA new build programme and Registered Social Landlord development programme within the Hilltown to obtain economies of scale delivering best value.
