

REPORT TO: HOUSING COMMITTEE – 21 MARCH 2005

REPORT ON: TENANTS' ALLOWANCES

REPORT BY: DIRECTOR OF HOUSING

REPORT NO: 175-2005

1. PURPOSE OF REPORT

- 1.1. The Housing Committee of 15 March 2004 agreed a report by the Director of Housing to upgrade tenants' allowances in line with inflation. These allowances are now due to be updated in line with inflation for financial year 2005/2006.

2. RECOMMENDATIONS

It is recommended that Housing Committee:

- 2.1. agree that the Tenants' Allowances Scheme should be increased in line with inflation as detailed in paragraph 7 and the Appendix of this report from 1 April 2005.
- 2.2. agree the revised decant allowance for tenants making their own arrangements, outlined in para. 8.

3. FINANCIAL IMPLICATIONS

- 3.1. These allowances are increased in line with inflation and apply to both revenue and capital programmes starting after 1 April 2005. The allowances detailed can be met from within these budgets.

4. LOCAL AGENDA 21 IMPLICATIONS

- 4.1. None.

5. EQUAL OPPORTUNITIES IMPLICATIONS

- 5.1. None.

6. BACKGROUND

- 6.1. The purpose of the Tenants Allowances Scheme is to ensure that tenants are not significantly 'out of pocket' as a direct result of works taking place in their home. Payments do not fully cover all costs incurred, as in normal circumstances, tenants are responsible for decoration and an assessment for wear and tear is taken into account.

The intention is, therefore, to approach tenants' requirements with flexibility, so that individual needs can be catered for, as well as achieving across the board consistency and fairness in the levels of payment made.

7. TYPES OF ALLOWANCE PROVIDED

7.1. Decoration Allowance

This is payable to assist with redecoration following remedial or improvement work where the tenant's decoration has been affected.

The same allowances are also made to new tenants where the conditions of the relet house merits an allowance. The appendix details the rooms which qualify for decoration allowance and the maximum allowance for different sizes of property.

7.2. Window Blinds

Where replacement windows have been installed which alter the dimensions so that the existing blinds do not fit, a voucher is issued to compensate for alterations or contribute to new blinds, as the tenant desires. It is proposed that the value per blind is increased from £20.00 to £20.60.

7.3. Floorcovering Allowance

7.3.1. Where floorcoverings need to be uplifted to carry out remedial or improvement work, the tenant is given a choice of

- a. a voucher as a contribution to lifting and relaying the floorcovering.
- b. a specialist carpet fitter, employed by the main contractor, to lift and relay carpets etc which can reasonably be lifted without damage. If this is not possible the matter is referred back to the Housing Officer who will issue a voucher.

It is proposed that the value per house of the floorcovering voucher is increased from £91 to £94.

7.3.2. It is also recommended that, where damage to floorcovering is anticipated as part of the work, e.g. where new kitchen units are a different size from existing units or a fire place has to be removed leaving a gap in the carpet, then an additional floorcovering voucher up to the value of £94 can be issued.

7.3.3. Where tenants have fitted wooden or laminate flooring and this is unavoidably damaged as part of a Capital Contract, an additional floorcovering voucher can be issued up to the value of £94.

7.3.4. For clarification, a tenant can receive a maximum of £282 for floorcovering allowances, where all the criteria above are met.

7.4. Non-slip Flooring/Floor Tiles

Where tiles can be removed and refitted the appointed contractor will carry out this work. Where they cannot be lifted, they will, as at present, be replaced under the contract.

7.5. **Urgent Additional Allowance**

This permits an additional payment up to £246 to be made if urgent rehousing is required and where genuine need exists. This is limited to tenants who are either in receipt of housing benefit or have particular medical requirements.

Each application will, however, be considered on its own merit. It is proposed to increase this allowance from £246 to £253.

7.6. **Removal and Storage of Furniture**

Housing Officers will, where required, arrange removal and storage of tenants' furniture directly with a removal contractor on the tenant's behalf.

8. **DECANT ALLOWANCE – TENANTS MAKING THEIR OWN ARRANGEMENTS FOR ALTERNATIVE ACCOMMODATION**

This is a payment made to tenants who make their own arrangements for alternative accommodation when they require to be decanted from their home. This allowance in 2004/2005 was £100.00 per week or part of week plus a rent abatement for the period that the tenant cannot live in their house. It is proposed that this payment is increased to £103 per week for each adult over 16 years of age in the household. This payment will be made to the tenant of the house.

Where tenants require to be decanted and do not wish to make their own arrangements, varying options are available. The range of options include the use of furnished lets decant accommodation and hotel or bed & breakfast accommodation which includes evening meal. These options are all less cost effective than tenants making their own arrangements.

Following the increase in the allowance for the tenants making their own arrangements for decant there has been no discernable increase in tenants taking this option. This may, however, be due to the high percentage of sheltered developments benefiting from the programme in 2004/05.

For 2005/06 it is proposed that this allowance is increased to £103 per week and that its scope is increased by each adult in the household (*over 16 years*) becoming eligible for the payment. In the situation where a couple or a family with older children have to decant, this will be a more cost effective option than hotel accommodation for the Council.

This allowance should be payable for a maximum of 3 weeks. In any project which is to take longer than 3 weeks, tenants should be offered a decant house from the Council stock as the preferred option.

9. **REVIEW OF ALLOWANCE LEVELS**

The appendix illustrates the new allowances increased in line with inflation, which have been quoted throughout the report.

10. **CONSULTATIONS**

The Depute Chief Executive (Finance), Depute Chief Executive (Support Services), Assistant Chief Executive (Community Planning) and Chief Executive have been consulted in the preparation of this report. Dundee Federation of Tenants' Associations has also been consulted regarding this report.

11. **BACKGROUND PAPERS**

None.
