**6 BACKGROUND**

The Alexander Torrance Cathro Bequest was formed by the residue of an estate handed over to the former Corporation of Dundee in 1948, the free annual income therefrom to be used to give as many children as might have need an opportunity of enjoying an outing in the country or at the seaside.

The funds of the bequest have been invested in £14,500 7.5% Treasury Stock 2007 with the balance of £8,442 remaining with the City Council's Loans Fund. The interest on these funds gives a full year's income of £1,550 and this compares to the total of grants disbursed last year of £1,550.

Following redemption of the Treasury Stock, the Funds are now all invested with the Council's Loan Fund.
