

**REPORT TO: PLANNING AND TRANSPORTATION COMMITTEE  
26 APRIL 2004**

**REPORT ON: CLOAN ROAD – TRAFFIC MANAGEMENT ALTERATIONS**

**REPORT BY: DIRECTOR OF PLANNING AND TRANSPORTATION**

**REPORT NO: 268-2004**

## **1 PURPOSE OF REPORT**

1.1 This report considers improvements to road safety and residential traffic circulation at Cloan Road, between Fredrick Street and Strathmartine Road.

## **2 RECOMMENDATIONS**

2.1 It is recommended that Committee approve the preparation of the necessary Traffic Regulation Order to make Cloan Road one-way and to affect changes to the waiting restrictions as indicated on attached plan.

## **3 FINANCIAL IMPLICATIONS**

3.1 The total cost of implementing these proposals is estimated at £3,500. Provision will be made for this sum from within the Planning and Transportation Department's 2004/2005 revenue budget allocation for the Transportation Division under Traffic Management Works.

## **4 LOCAL AGENDA 21 IMPLICATIONS**

4.1 The introduction of the proposed measures will create a safe, clean and pleasant environment.

## **5 EQUAL OPPORTUNITIES IMPLICATIONS**

5.1 There are no direct equal opportunities implications arising as a direct result of this report.

## **6 BACKGROUND**

6.1 Parking in Cloan Road with its restricted width is resulting in vehicle conflict situations.

6.2 Sight lines at junctions are being inhibited by inconsiderate parking.

6.3 Making the section between Strathmartine Road and Fredrick Street one-way and implementing waiting restrictions at these locations will alleviate the problem.

## **7 CONSULTATIONS**

7.1 The Chief Executive, Depute Chief Executive (Support Services), Depute Chief Executive (Finance), Assistant Chief Executive (Community Planning), the Legal Manager and the Chief Constable have been consulted and are in agreement with the contents of this report.

**8 BACKGROUND PAPERS**

8.1 None.
