4.0 BACKGROUND

4.1 The Fleming Trust was set up in 1929 to provide suitable accommodation for the displaced occupants of slum dwellings in Dundee. The trustees have the responsibility to "hold and maintain" the houses. The trustees are overseen by a Supervisory Committee which meets twice a year.

4.2 The trust currently owns 92 houses and these are managed by Neighbourhood Services. All houses meet the Scottish Housing Quality Standard.

4.3 The trusts accounts are contained in Report No. 374-2019. In the year to 31 March, 2019 the trust achieved income of £347,880 (2017/2018 £334,453), mostly from rental income, and incurred £77,990, (2017/2018 £97,445) of revenue expenditure most of which was expended on management and maintenance to produce an operating surplus of £147,624 (2017/2018 £35,775).

4.4 Capital Expenditure of £122,266 was incurred during 2018/19 (2017/2018 £201,234).

4.5 The net result was a surplus of £147,624 (2017/2018 £35,775), which when added to the balance brought forward gives a balance on reserves of £1,311,800 (31 March 2018 £1,164,177). This balance is required to fund any improvements to the properties. In 2019/2020 expenditure will be incurred on boiler replacement and kitchen/bathroom upgrades.

4.6 Report 119-2015 recommending that the Fleming Trust implement a new build programme of 15-20 units to increase the supply of affordable housing to meet housing need in the City was considered by the City Council as Fleming Trustees on 9th March 2015.

This new build programme and the houses will be provided in conjunction with the Council's HRA new build programme and Registered Social Landlord development programme within the Hilltown to obtain economies of scale delivering best value.
