## **2.0 Recommendations**

It is recommended that

- 2.1 Administrative grants be awarded to all Community Councils currently in existence or established during 2000/2001 in accordance with Dundee City Council Scheme for the Operation of Community Councils (Report 332/1997).
- 2.2 Grants are awarded according to the following formula: a lump sum of £300 per Community Council plus 1.2p per resident in each Council's area, (See Appendix 1).

## **4.0 Local Agenda 21 Implications**

- 4.1 Theme: All sections of the community are empowered to participate in decision-making.  
Support to Community Councils is an integral part of the Council's Decentralisation policy.

## **6.0 Background**

- 6.1 This report details payments in the form of Administrative Grants made to Community Councils during the financial year 1 April 1999 to 31 March 2000. (Appendix 2)
- 6.2 The report sets out in detail proposals for the payment of Administrative Grants to Community Councils as outlined in the Dundee City Council Scheme for the Operation of Community Councils.
- 6.3 The proposals include a formula that ensures all Community Councils are awarded a basic lump sum of £300 plus an additional 1.2p per resident. To be eligible for a grant a Community Council must make formal application and include audited annual accounts for the financial year 1999/2000 where appropriate. The Community Council should have less than twice the amount of their recommended grant in their administrative account at 31 March 2000.
- 6.4 The Dundee City Council Scheme for the Operation of Community Councils has provision for seventeen Community Councils in Dundee. Currently there are five Community Councils; Broughty Ferry, Fintry, Hilltown, Stobswell and West End.

- 6.5 In addition, the Association of Dundee Community Councils was formed to enable Councils to share information, develop training programmes and promote new Community Councils.
- 6.6 It is proposed that the City Council works in partnership with the Association of Dundee Community Councils to promote new Community Councils in areas where none exist.
- 6.7 Community Councils established later than 1 October 2000 would be awarded a grant of 60% of the recommended full grant.

**7.0 Consultation**

- 7.1 The Directors of Finance and Support Services have been consulted in the preparation of this report.
