

REVISION OF DUNDEE HEALTH AND SOCIAL CARE INTEGRATION SCHEME (DIJB39-2022)

In December 2020 the Integration Joint Board was informed that NHS Tayside and Dundee City Council had completed the statutory review of the Dundee Health and Social Care Integration Scheme (required by section 44 of the Public Bodies (Joint Working) Scotland Act 2014) and had agreed that a revised scheme should be prepared (Article X of the minute of the meeting of the Dundee Integration Joint Board held on 15 December 2020 refers). The report provided to the IJB at that time set out the intended approach to the preparation of a revised scheme and committed to providing an update on progress no later than 31 March 2021. Further updates were provided to the Integration Joint Board in August 2021 and February 2022 on the progress of work to prepare a revised scheme (Article VI of the minute of the meeting of the Dundee Integration Joint Board held on 25 August 2021 and Article XV of the minute of the meeting of the Dundee Integration Joint Board held on 23 February 2022 refer).

Report DIJB18-2022 presented to the April 2022 IJB meeting (Article VI of the minute refers) noted the consultation process on the draft scheme was underway and that the Chief Finance Officer had worked with members of the Integration Joint Board to agree and submit a response on their behalf.

Following the consultation process, officers of Dundee City Council and NHS Tayside have considered the responses from the consultation and have now agreed a final version of the Integration Scheme to be presented to their respective governance committees and boards for approval prior to submission to the Scottish Government. The revised scheme will be presented to Dundee City Council on the 27th June and Tayside NHS Board on the 30th June 2022.

The revised scheme must be submitted to Scottish Ministers for approval no later than the end of June 2022. Once approved, the final scheme will be presented to a future meeting of the Integration Joint Board for information.
