1.0 PURPOSE OF REPORT

1.1 The purpose of this report is to update the Performance and Audit Committee in relation to the Strategic Risk Register and on strategic risk management activities in Dundee Health and Social Care Partnership.

2.0 RECOMMENDATIONS

It is recommended that the Performance & Audit Committee (PAC):

- 2.1 Note the content of this Strategic Risk Register Update report.
- 2.2 Note the extract from the Strategic Risk register attached at Appendix 1 to this report.
- 2.3 Note the recent work and future work on Pentana Risk Management System in Section 7.

3.0 FINANCIAL IMPLICATIONS

3.1 None.

4.0 BACKGROUND

- 4.1 The Dundee HSCP Strategic Risk Register is regularly presented to the NHS Tayside Strategic Risk Management Group and is available to Dundee City Council Risk and Assurance Board through the Pentana system.
- 4.2 Operational Risks are reviewed by the Clinical Care and Professional Governance forum with any significant areas of concern which may impact on the ability of the IJB to deliver its Strategic and Commissioning Plan reported to the PAC through the Clinical Care and Professional Governance Group's Chairs Assurance Report.
- 4.3 Operational Risks which should be escalated are identified through Senior Management meetings, the Clinical Care and Professional Governance forum and through reports to the IJB and PAC.

5.0 STRATEGIC RISK REGISTER UPDATE

5.1 The three highest scoring risks on the Strategic Risk Register remain the same as the previous Risk Register Update in September. They are: Staff Resource - Clinical; Dundee Drug and Alcohol Recovery Service; and the National Care Service.

- 5.2 The Strategic Risk Register extract details the most recent updates and a brief description of the mitigating control factors identified.
- 5.3 All strategic risks are reviewed regularly and mitigating actions recorded and scored. Further development work is underway to link risk with performance as recommended in the Internal Audit Report on Performance Management presented to the PAC at its meeting on 24th March 2021 (Item VI of the minute refers).

6 RISKS

- 6.1 The majority of risks and scores remain the same as the previous update in September.
- 6.2 The Category One Responder risk has decreased as the Category One Responder Action Plan was presented to and approved by the IJB on the 26th October 2022.
- 6.3 An emergent risk that is being scoped for entry on the Strategic Risk Register is potential nationwide power outages.
- 6.4 While business continuity plans cover power outages, preparatory contingency work is ongoing with partner agencies to ensure that all potential risks for widespread rolling power outages are covered.

7.0 PENTANA RISK MANAGEMENT SYSTEM

- 7.1 Following on Risk Development Sessions with the Integrated Joint Board members , development work on the Pentana Risk Management System is being undertaken.
- 7.2 Developments include linking the risks to the individual Actions in the current Strategic and Commissioning Plan Actions, and Performance Indicators where appropriate.
- 7.3 Documents will be added as links to the risks where they are part of the Control Factor. For example we plan to add the link to the Workforce Strategy document to the Staff Resource risk.
- 7.4 The inherent risks will be revisited to take into account external events which have meant that current scores are higher than previous inherent scores.
- 7.5 The target risk scores will be revisited to take into account the recent development work around risk appetite.
- 7.6 Pentana accounts and familiarisation sessions are being planned for Integrated Joint Board members so they can access the updated Pentana Risk Management System.

8.0 POLICY IMPLICATIONS

- 8.1 This report has been screened for any policy implications in respect of Equality Impact Assessment. There are no major issues.

DUNDEE HEALTH AND SOCIAL CARE PARTNERSHIP – STRATEGIC RISK PROFILE NOVEMBER 20

PAC32-2022 Appendix 1

Description	Lead Director/Owner	Current Assessment			Status	Control Factors	Date Last Reviewed
		L	C	Exp			
<p>Staff Resource</p> <p>Post Covid recruitment challenges continue to exist in a range of roles including social care and nursing. Recruitment for Consultants and Doctors in specific areas such as Mental Health, and Substance Misuse has meant that there are significant difficulties in filling posts, with posts remaining vacant. These risks are detailed in Operational Risk Registers and have been escalated as risks for the Strategic Risk Register. The IJB has approved the Workforce Strategy</p>	Dundee HSCP Chief Officer	5	5	25	→	<ul style="list-style-type: none"> • Developments of new models of care • Organisational development strategy • Service redesign • Workforce Strategy approved 	28/10/2022
<p>Dundee Drug and Alcohol Recovery Service</p> <p>Dundee Drugs Commission follow up report noted some progress being made, however a range of challenges still exist. This poses a significant reputational risk for the DHSCP. Reducing Harm Associated with Drug Use report presented to both the IJB and Dundee City Council in June 2022 sets out findings and priority areas for improvement in relation to substance use services. Risks and Control Factors around the implementation of the MAT Standards are included in the ADP Risk Register.</p>	Dundee HSCP Chief Officer	5	5	25	→	<ul style="list-style-type: none"> • ADP Residential Rehab Pathway • Service Restructure • ADP Risk Register 	28/10/2022
<p>National Care Service</p> <p>The recent legislation published on the establishment of the National Care Service sets out plans to introduce Local Care Boards with the abolition of Integration Joint Boards. The Health and Social Care partnership recently responded to Scottish Government for views on the draft legislation. Similar to other bodies, significant concerns have been raised around the content of the bill in terms of scope and financial implications of the legislation.</p>	Dundee HSCP Chief Officer	5	5	25	→	<ul style="list-style-type: none"> • Change Management • Engagement with consultation process 	28/10/2022
<p>Restrictions on Public Sector Funding</p>	Dundee HSCP Chief Finance Officer	5	4	20	→	<ul style="list-style-type: none"> • Additional Scot Gov funding • Budgeting arrangements 	28/10/2022

Additional interventions by Scottish Government to seek the use of IJB's reserves has the potential to de-stabilise agreed investment plans eg Primary Care Improvement Funding.						<ul style="list-style-type: none"> • MSG and external audit recommendations • Savings and Transformation Plan 	
Primary Care Challenges continue to present within Primary Care services, including the recent closure of Ryehill Medical Practice. Progress around development of Primary Care Improvement Plan has been impacted by the Scottish Government's changed stance on funding for 2022/23 by restricting overall funding available.	Dundee HSCP Chief Officer	4	5	20	→	<ul style="list-style-type: none"> • Maximise skills mix. • Longer term national work to increase undergraduate training • Test of change for IT infrastructure • Other funding sources identified as opportunities arise 	28/10/2022
Staff resource is insufficient to address planned performance management improvements in addition to core reporting requirements and business critical work. Pressures still remain, however restructure and enhancement to service planned for over coming months. This risk was highlighted further in recent IJB reports around the the development of the IJB Strategic and Commissioning Plan.	Dundee HSCP Chief Officer	5	4	20	→	<ul style="list-style-type: none"> • Planned restructure and enhancement 	28/10/2022

<p>Lack of Capital Investment in Community Facilities (including Primary Care)</p> <p>Restrictions in access to capital funding from the statutory partner bodies and Scottish Government to invest in existing and potential new developments to enhance community based health and social care services. This could potentially be exacerbated by the transitional period until the establishment of a National Care Service due to the uncertainty of funding and ownership of assets by the local authority and Health Board.</p>	Dundee HSCP Chief Officer and Chief Finance Officer	4	4	16	→	To be developed	28/10/2022
<p>Cost of Living Crisis</p> <p>The cost of living and inflation will impact on both service users and staff , in addition to the economic consequences on availability of financial resources. The uncertainty of the fuel cost crisis is yet to be fully felt.</p>	Dundee HSCP Chief Officer and Chief Finance Officer	4	4	16	→	To be developed	28/10/2022
<p>Viability of External Providers</p> <p>Previous assessments have been affected by the Covid Pandemic, however the increase in energy prices in addition to fuel costs for staff travel in addition to staff pay pressures is already impacting this sector with concerns that a number will not be able to sustain their activities.</p>	Dundee HSCP Chief Officer	4	4	16	→	<ul style="list-style-type: none"> Maintain regular communication with third sector essential service providers 	28/10/2022
<p>Impact of Covid 19</p> <p>The continuing focus on vaccination for staff will maintain the impact on delivery of services.</p>	Dundee HSCP Chief Officer	4	4	16	→	<ul style="list-style-type: none"> Remobilisation plans 	28/10/2022

<p>Governance Arrangements being Established fail to Discharge Duties</p> <p>Further progress made on ensuring actions on Governance Action Plan have been completed. External audit plan for 2021/22 noted a reduction in the key areas of assessment due to reduced risk associated with governance. Further refinement of the Governance Action Plan is being undertaken to reduce duplication of actions.</p>	Dundee HSCP Chief Officer	3	4	12	→	<ul style="list-style-type: none"> Implementation of Governance Action Plan 	28/10/2022
