Dundee has lowest drive time to the largest % of Scottish population

Location

Dundee, The City of Discovery, is Scotland's fourth largest City and is set in a stunning location at the mouth of the River Tay. Dundee commands a strategic position within the communications network of Scotland with excellent road and rail connections to other principal cities and 90% of the country's population within 90 minutes drive. Dundee also has its own Airport providing daily scheduled flights to London.

Dundee is currently undergoing a £1 billion transformation of its Waterfront, which comprises circa 240 Hectares of development land, a new state of the art Train Station and the newly opened V&A Museum of Design. V&A Dundee is an international centre for design in Scotland and the first ever design museum to be built in the UK, outside London.

More precisely, the subjects are located half a mile west of Dundee City centre adjacent to Dundee University. D10 Trade Park lies in close proximity to West Port roundabout on Dundee's inner ring road. The Trade Park benefits for excellent transport links close-by.
