Welcome from the Chief Executive

Are you a visionary leader with a passion for driving transformational change, do you have the strategic acumen to steer a diverse portfolio of services towards excellence? If so, then thank you for your interest in the role of Head of Service - Corporate Finance.

We are a council with big ambitions because we want the best for all our citizens. We want Dundee to be the best place to grow up, study, work and live long and happy lives.

Dundee has transformed itself into a growing city on a journey of major economic, social and cultural development, including its world renowned £1bn Waterfront development with V&A Dundee at its heart. Further opportunities lie ahead such as the £300 million Tay Cities Deal, a Life Sciences Innovation District and the Eden Project - all examples of Dundee's bold and creative ambition. As a result, Dundee has been named as one of the world's top "places of the future" (21 Places of the Future Report).

The Council has a vital role in enabling transformational change to meet the needs of the city and at the same time maintain the financial sustainability of local services. We continue to work with partners, businesses, citizens and communities to tackle challenges and grasp opportunities.

We pay particular attention to the impact on the local economy; on the funding of employability, social inclusion, regeneration and support for key business sectors; and on the work of our universities and colleges, which play such a key role in the city.

As a Council, we provide best value and are committed to continuing to change for the future. Given the ongoing financial uncertainties, we need to look again at how we design and deliver our services. That will also affect how we design our budgets and income, our service structures and workforce planning to ensure that we are working in the most efficient, effective and innovative ways.

Our success is reliant on our employees who are motivated, innovative and productive. Our workforce deliver services confidently and competently, with the right skills, knowledge and values.

In return for your dynamic leadership, we offer a supportive, friendly and welcoming place to work with a talented team of people and a competitive salary and benefits package.

If you have the drive, passion, leadership and experience to contribute and influence, I would be delighted to receive your application.

Greg ColganChief Executive, Dundee City Council
