

Committee Report No: 296-2021

Document Title: COMMUNITY LEARNING AND DEVELOPMENT PLAN 2021- 2024

Document Type: Strategy

New/Existing: New

Period Covered: 22/11/2021 - 31/08/2024

Document Description:

This plan is produced under The Requirements for Community Learning and Development (Scotland) Regulations 2013 which are subordinate legislation under section 2 of the Education (Scotland) Act 1980. These refer to a duty of care to the local Authority to secure adequate and efficient provision of CLD. It requires the authority to maintain and facilitate a process for identifying the needs and priorities for CLD and identify whether these are being met. There is a further requirement to publish a plan for three years identifying what Council and key partners are doing with regards to provision of CLD

Intended Outcome:

The aim of CLD Plans is to: Co-ordinate the provision of CLD with stakeholders; Describe the actions that will be taken by the local authority to provide and co-ordinate CLD between 1 September 2021 and 31 August 2024. Describe any needs for providing CLD that will not be met between 1 September 2021 and 31 August 2024. The development of CLD Plans requires a collaborative approach and to be developed through consultation with partners and communities, with a particular emphasis on people who are vulnerable or marginalised.

How will the proposal be monitored?:

the Community Learning and Development plan and will receive annual updates on progress, which is being led through Building Stronger Communities Sub-Group of the Dundee Partnership

D. Corporate Risk Impacts

Corporate Risk Implications:

The risk implications associated with the subject matter of this report are 'business as normal' risks. The subject matter is routine and has happened many times before without significant loss. There is comfort that the risks inherent within the activity are either transferred to another party, shared equally and fairly between the Council and another party or are negligible.
