PROPOSAL OF APPLICATION NOTICE LIST

PART 1

The legislation requires the Council to maintain a list of applications which have been made to it but not determined. The Council maintains such a list on its website. This list is automatically updated when a valid application is received or an application is decided. The list can be interrogated in various ways. Because of the nature of this facility and the information it contains the Council has decided that this fulfils the requirements of the legislation and that no paper based list will be maintained. The website is bwarrant.dundeeccity.gov.uk/publicaccess/tdc/tdc_home.aspx

PART 2

Part 2 of the List relates to PROPOSAL OF APPLICATION NOTICES received by the Council. These are NOT planning applications but are pre-application proposals by developers for major developments. These are subject to separate consideration arrangements and the information is provided in order that the public may be aware of the contact details should they wish to find out more and make representations direct to the proposer at the address given. Further details about the proposal may be obtained either from the proposer or from the Council (See Guidance Notes for contact details).
