4	<p>Cost of Living Discussion</p>	

	<p>Due to a lack of community facilities in The Ferry it is noted that local churches work to meet emerging needs within the community and the Community Empowerment Team work to support them to meet their aims</p> <p>Linda Marsh Barnhill St Margaret's Linda explained the work at Barnhill St Margaret's. The church has a Giving Tree at Christmas and 48 families are supported through this initiative which prioritises children. The church works with School and Family Development Workers to identify families who would benefit from some additional financial support and provides vouchers for families in January as this is the time that families struggle most. Cost of living funding has been applied for to support Coffee and Chat sessions which run on 2nd 4th and 5th Wednesday of each month. This service predominately supports single people and also addresses social isolation. The sessions are also benefit from the support of Grove Academy volunteers.</p> <p>Tracy Downie Social Security Scotland (SSS) Tracy leads the Local Delivery Team and explained that the role of the team is to support people to apply for benefits they are entitled to and this is not the same as the DWP. SSS can do home visits to help people as some forms can be long and difficult to complete for people. They can also provide information on Scottish Child Payments and carers payments, they are currently piloting a carers support project. The service also notes that Broughty Ferry residents have been accessing services in Douglas. It is noted that extra support may be required for people in recovery. SSS are currently working in partnership with Young Carers</p> <p>Tara Javed Ferry Fridge Working to address both food waste and food insecurity, the Fridge is progressing with the group now a registered SCIO and trying to open a bank account to enable them to apply for funding to progress, Community Empowerment are currently hosting the £600 received from CRF to cover the cost of a building permit, which is being applied for. The group need a solicitor to review the trustees of the group and to provide confirmation on headed paper for the bank. Tara asks if anyone can provide any contacts to please let her know. It was agreed that Christine would send an email to the mailing list showing everyone's contact details, Contacts have previously been blind copied.</p>	CR

Pamela will provide more information for circulation when available</p> <p>Amanda Burnett Scottish Ambulance Service (SAS)</p> <p>Scottish Ambulance Service are based at Balmossie Fire Station and the partnership approach to working with the Fire Service has been successful. Amanda made the group aware that the ambulance service does more than take people to hospital and that about one third of calls result in hospital admission and that the role often involves signposting to other more appropriate services. SAS are not always represented on partnerships as workers often need to do this on their own time.</p> <p>Dundee Partnership Community Regeneration Funds</p> <p>Christine highlighted that there are still quite significant funds left in the CRF pot and asked that everyone promote this across the area.
