DUNDEE CITY COUNCIL

FOREWORD BY EXECUTIVE DIRECTOR OF CORPORATE SERVICES

INTRODUCTION

This budget volume contains the 2021/22 Final Revenue Budget and the Provisional 2022/23 and 2023/24 Revenue Budget as approved at the Special Policy and Resources Committee meeting on 4 March 2021. Also included is the 2021/22 detailed Review of Charges Volume that was approved at the same meeting.

Revenue Budget Preparation

In summer / autumn 2020, the Chief Executive and Executive Director of Corporate Services, in conjunction with other Chief Officers, commenced the preparation of the Provisional Revenue Budget for 2021-2024. This involved rolling forward the Final 2020/21 Revenue Budget and adding provision for specific inflationary pressures together with reflecting any savings or costs pressures that were identified through the 2020/21 revenue monitoring process or other known pressures that are anticipated to emerge during 2021-2024.

On 28 January 2021, the Cabinet Secretary for Finance announced the Local Government Finance Settlement for 2021/22. The Minister for Public Finance and Digital Economy also wrote to COSLA on 28 January 2021 confirming the package of measures that made up the settlement to be provided to local government in return for the provisional funding amounts for 2020/21. For 2021/22, the Scottish Government will work in partnership with local government to implement the budget and joint priorities in return for the full funding package which the Cabinet Secretary has stated includes:

- an additional £40 million of General Revenue Grant, the distribution of which will be discussed and agreed with COSLA and paid as a redetermination of the 2021/22 General Revenue Grant,
- £59 million revenue to support the final tranche of increased funding for the expansion in funded Early Learning and Childcare (ELC) entitlement to 1,140 hours,
- £90 million to compensate councils for choosing to freeze council tax levels, which will be baselined in the Local Government settlement,
- £72.6 million to be transferred from the health portfolio to the Local Authorities in-year for investment in health and social care and mental health services including delivery of the real Living Wage, uprating free personal and nursing care and implementation of the Carers Act,
- the ongoing £88 million to maintain the pupil / teacher ration nationally and secure places for all probationers who require one under the teacher induction scheme,
- continued provision for the teachers' pay award (£159 million) and additional pension costs (£97 million),
- £5.3 million for Barclay implementation costs,
- an additional £12 million capital funding for the maintenance of Local Bridges (with a further £20 million in 2022/23),
- £10 million additional capital funding for Flood Risk schemes and £12 million for Local Bridge Maintenance.

In recognition of the unique pressures created by the Covid-19 pandemic the settlement includes an additional £90 million available to compensate Councils who choose to freeze their Council Tax at 2020/21 levels, helping to protect household incomes. This additional allocation provides compensation to support services and equates to an increase in Council Tax of around 3%.

The 2021/22 financial settlement for Dundee City Council is detailed on the next page. In view of this settlement, together with the various other emerging cost pressures, savings were required to be identified, in order to achieve a balanced budget in 2021/22. The Special Policy and Resources Committee on 4 March

2021 considered the Provisional Revenue Budget Volume and approved budget savings totalling £1,367,000 with a review of charges resulting in additional income of £272,000. At this same meeting, the Council Tax was frozen with Band D remaining at £1,379 after agreeing a provision of 3.2% for Council Tax non-collection.

Contingency Provision

The 2021/22 Revenue Budget includes the following contingency provisions (see page 13).

General Contingency (£500,000)

The purpose of this contingency provision is to cover any unforeseen items of expenditure that may occur during the course of the financial year.

Cost Pressures (£491,000)

This contingency provides for pay pressures.

Revenue Funding Allocation

The City Council's total revenue funding allocation from the Scottish Government assumed within the 2021/22 Revenue Budget is as follows:

	£m
General Revenue Funding	269.419
Non-Domestic Rates Income	33.763
Ring-fenced Grants	<u>24.863</u>
Total Funding	<u>328.045</u>

General Revenue Funding

General revenue funding is a general grant paid to local authorities to support revenue expenditure. It is not hypothecated against individual services.

Non-Domestic Rates Income

All Non-Domestic Rates Income collected by local authorities is paid into a central pool and thereafter redistributed to Councils on the basis of the amount each Council estimates it will collect (based on 2020/21 mid-year estimates). Any surplus or shortfall in the overall 'pool' is reflected in future years' rate poundages or grant settlements. The Scottish Government has advised that the 2021/22 Non-Domestic Rate poundage for Scotland will be:

	2021/2022 Poundage
For Properties with a rateable value of:	
Less than £51,000	49.0p
Between £51,000 and £95,000	50.3p
Greater than £95,000	51.6p

Ring-fenced Grants

Ring-fenced grants are paid in respect of specific services and initiatives. The grant income is netted-off against service expenditure in the budget volume.

Provisional Revenue Budgets (2022/23 and 2023/24)

The range of projected savings and efficiencies that may be required in order to deliver a balanced budget for the financial years 2022/23 and 2023/24 were also presented at the meeting in March 2021.

Off Street Car Parking Charges The introduction of differential car parking charges to encourage a greater use of low occupancy car parks was introduced in Oct 2019. Due to Covid there has not been an adequate period to gauge the effects of these changes and it's proposed to retain current charges for a further year to allow measurement on the effect to overall revenue and occupancy rates.
