

PARTICIPATION STATEMENT

Dundee City Council is committed to encouraging wide ranging stakeholder and public involvement in the preparation of the Dundee Local Development Plan.

By inviting involvement at all stages of the Plan's preparation, the Council seeks to enable those with an interest in the area e.g., members of the public, businesses, key organisations, and community groups, to contribute their views before decisions are taken. This applies equally to those who support elements of the Plan as to those who wish to make objections. In doing so the Council will seek to ensure that:

- arrangements for participation are as open, transparent and practical as possible taking cognisance of the resources available to Dundee City Council;
- information is provided fully and as early as possible; and
- communication is provided through appropriate and widely accessible means, in particular noting the use of the council's website as the primary repository for documentation and information, but also through face to face meetings and printed media when appropriate.

The participation process will seek to involve a wide range of parties including:

- Public Sector Groups (including key government departments and agencies);
- Private Sector groups (including infrastructure providers, business, retail and housing development interests);
- established Community Groups (including Community Councils and other special interest groups);
- voluntary and environmental organisations;
- Local Community Planning Partnerships (LCPP); and
- all members of the community, including minority groups, younger citizens, disabled people, gypsies and travellers.

It must be noted that the Development Plan also utilises inputs from other documents such as the National Planning Framework, Community Plans, Local Place Plans, Play Sufficiency Assessments etc., which have their own separate consultation arrangements.

Special arrangements will be put in place for the bodies designated as Key Agencies by the Scottish Government:

- Historic Environment Scotland;
- Nature Scot;
- Scottish Environmental Protection Agency;
- Scottish Water;
- Scottish Enterprise;
- Tactran Regional Transport Partnership;
- NHS Tayside;
- Transport Scotland;
- Marine Scotland;
- Scottish Forestry; and
- Architecture and Design Scotland

Dundee City Council will engage with the Key Agencies Group as part of a pilot project to support a collective approach to evidence gathering at early stages of the Plan.

Email Mailing List and Keeping Informed:

To assist the Council in ensuring that those who want to be involved in the process are kept up to date on progress there is the opportunity to register contact details to receive future correspondence by e-mail.

To register details please send an e-mail to localdevplan@dundeecity.gov.uk

Your details will be used for occasional communications related to consultations and other related activities undertaken by Dundee City Council City Development Department. You can unsubscribe at any time.

General information and associated documents will be available through the webpages at <http://www.dundeecity.gov.uk/localdevplan2>. Announcements will also be made via other channels, for example, including social media and statutory public notices in newspapers.

Making Representations

Throughout the plan preparation process Dundee City Council encourages everyone to make representations, both in support of the Plan and in raising representations or objections to it. This will be facilitated by e-mail (localdevplan@dundeecity.gov.uk) or via the website:

<http://www.dundeecity.gov.uk/localdevplan2>, and in letter form.

Key Stages in the Process for Making Representations

We would encourage any person that wishes to raise an issue to be considered in the Local Development Plan to do so as early as possible and not necessarily wait until a formal consultation period. The Local Development Plan preparation process is complex, and it may not be possible to take into account late submissions of comments or representations.

The principal formal periods for consultation are:

Participation Statement (this document): an annual consultation where comments and suggestions are sought on the content of the Participation Statement to help guide the approach to engagement during the plan making process.

Evidence Report: targeted consultation will occur to ensure the necessary evidence is being properly considered for inclusion in the report. Consultation for the evidence report is likely to be specific to certain topics and not a general consultation. We welcome the submission of general comments at any time during the plan preparation process.

Local Place Plans: these are community-led plans setting out proposals for the development and use of land and set out a community's aspirations for its future development. Once completed and then registered, they are to be taken into account in the preparation of the Local Development Plan. Community groups that are eligible to prepare Local Place Plans (eg, Community Councils) will be contacted directly by Dundee City Council and invited to prepare a plan. Consultation on those plans will be undertaken by the community groups and dates for that are out with control of Dundee City Council. Local Place Plans will require to be completed by summer 2025 in order to be considered during preparation of the Proposed Local Development Plan.

Call For Ideas: this activity seeks to encourage any person that has not already done so, to submit any idea for the plan to consider. This could include the need to protect an area of locally important green space; to propose a piece of land for a specific type of development or identify barriers to the positive development of an area in the city.

Proposed Local Development Plan Consultation: The Proposed Plan will represent Dundee City Council's position on the development and use of land in the city, based on the evidence gained until the point of publication. All persons will then have the opportunity to formally submit comments and representations either in support, or to seek a change from that position. In addition, any person who is an owner, lessee or occupier of land neighbouring a proposal site will receive direct notification.

Format of consultations and engagement:

- the Local Development Plan Review Webpage: www.dundee.gov.uk/localdevplan2 will be used throughout the plan preparation process as the primary location for hosting consultation documents and providing information;
- representations, comments, objections will only be accepted as formal submissions if submitted in writing with email being the preferred means of communication;
- we will seek to provide accessible documents for all consultations but persons requiring alternative formats are urged to contact us to discuss their specific requirements so they can be accommodated as the plan preparation proceeds; and
- all submissions to the plan will be fully considered and mediation between contributing parties may be considered as a method of addressing competing or potentially contentious issues which cannot be resolved.
