Directions

Starting from the **Community Centre**. Cross the road and go down to **Gilburn Road**. Turn right and go along Gilburn Road until you reach **Strathmartine Road**. At the junction, with the shop on your right, turn right and walk up the hill. Keep going past the big roundabout at **Balgowan Avenue** – and on up to **Harestane Road**. Walk down Harestane Road, past the school grounds, until you reach **Helmsdale Place** on your right. Once on Helmsdale Place, take the first right along **Helmsdale Drive** then down to **Helmsdale Avenue**. At the end of Helmsdale Avenue, turn left down **Balgowan Terrace** until you reach **Balgowan Avenue**. Cross to the other side of Balgowan Avenue at the pedestrian crossing. Turn right along Balgowan Avenue a short distance then turn left up **Haldane Avenue**. Carry on along Haldane Avenue – past the shops – then keep left on to **Haldane Crescent**. Walk a short way until you reach **Kirkton Crescent** then turn right and walk back down to the entrance to the community centre. **Well Done!**

Points of interest

- A long haul! – some steep braes and steps
- This route passes many useful places including the doctors surgery, the community centre, chemist, shops and schools
- The Nature Area is great for flocks of birds and butterflies
- As the name suggests, fine views of the Sidlaws can be seen
- Used to be a railway line and station around here!
