ROADS (SCOTLAND)ACT 1984 -SECTIONS 56 APPLICATION NOTES FOR GUIDANCE

In the case of excavations in the road this application must be accompanied by **2** No. drawings of a readable scale showing marked in red the position or approximate route of the opening.

Section 56 (2) puts a duty on the roads authority to inform the applicant of those statutory undertakers whose apparatus is in their opinion likely to be affected by the Works and these are listed in 6.(below).It is the responsibility of the applicant to inform those undertakers in **writing** that an application has been made.

Where possible the owner of any property should make the application. . This will make it simpler to conform with condition 5.

Charges

(i) A charge will be paid by the applicant for inspections associated with

(a) works executed in a road or

(b) for forming a vehicle crossing.

(ii) The charge is £140.

(iii) Payment must be made prior to Consent to Execute Works in a Road is granted.

List of statutory undertakers referred to in Note 2.

Scotland Gas Networks British Telecom (Openreach) Scottish Water

Scottish & Southern Energy (Hydro Electric)

NTL/Virgin Media Thus Cable and Wireless Communications

Application should be submitted to Dundee City Council, City Development Department, Network Management Team, (Roads & Transportation Division), Floor 5, Dundee House, 50 North Lindsay Street, Dundee, DD1 1LS.

Permits will only be issued for works which will be carried out by an HAUC certificated contractor.
