# APPLICATION FOR TENANCY CHANGE FREQUENTLY ASKED QUESTIONS

## **ASSIGNATION**

- Q. MY DAUGHTER LIVES WITH ME BUT I AM MOVING AWAY TO ANOTHER CITY. CAN SHE TAKE OVER THE TENANCY?
- A. The tenancy can be assigned to someone else as long as they have been living in the property as their only or principal home for at least 6 months before the date of your written request. You need to tell us as soon as there is a change in the number of people who are living in your home. We may refuse permission but only if we have reasonable grounds for doing so.

### **SUCCESSION**

- Q. THE TENANT OF THE HOUSE HAS DIED? WHO HAS SUCCESSION RIGHTS?
- A. If you are a joint tenant, you will continue as a sole tenant. If there is no joint tenancy, there are 3 levels of priority to succeed (take over) the tenancy.

First priority goes to the surviving spouse or co-habitee, as long as this has been their only or principal home for at least 6 months prior to the death of the tenant;

Second priority (if no-one qualifies or chooses to succeed at first priority), goes to other members of the tenant's family providing they are aged at least 16 and the house was their only or principal home at the time of the tenant's death;

Third priority (if no-one in any of the above priorities qualifies or chooses to succeed) goes to carers aged at least 16 where the house was their only or principal home at t he time of the tenant's death and where they have given up their only or principal home to care for the tenant or a member of the tenant's family.

Where the house has been built or adapted for special needs, different rules apply. Please contact your local office for advice.
